

2024 Corporate Sponsorships

Our summer swim team is a special six-week experience for swimmers ages 5-18 to learn competitive strokes in a fun, social environment. Throughout the swim season, social opportunities for both swimmers and families increase the fun-factor. We are actively looking for sponsors, so we can provide the best experience for our swimmers. This is a great opportunity to receive local advertising, and at the same time support our local youth. **Thank you for your consideration and support!**
